In D1, every team plays each team in their division 4 times and 2 of the opponents 6 times for a total of 24 games. In D2, every team plays each team in their division 5 times plus crosses over and plays several games against D3 for a total of 24 games. In D3, every team plays each team in their division 6 times plus crosses over and plays several games against D2 for a total of 23 games. Not all D2 teams play all D3 teams. Impossible to play all teams in the other division due to the lack of time at the Chelan fields so this portion of the schedule is not balanced.				13-14	4-5	3-6
